 I'm glad I got to know you this year
 you're a weird and nutty person and
 you're fun to be with. I'll see you
 this summer at fair. We can go on
 all the fast - scary rides together.
 Good luck with Petie. I hope you
 get Grand Champion. See ya
 around the farm and don't forget,
 we've gotta get drunk together.

Paul Gilbert, Assoc. Editor

With a lot of love and respect, this book is dedicated to Bernie Davis. Mr. Davis is an English teacher, French teacher and yearbook advisor. He serves as French Club advisor and in the past has been BSU advisor. Many students see his smiling face selling tickets for basketball and other sports events. Without the help of Mr. Davis, however, this yearbook would not be possible. Throughout the year he is always there to answer a question and also to ask his famous question "Are you going to meet this deadline?"

For all your devotion, time and effort, we dedicate this 76-77 book to you, Bernie Davis

A MESSAGE FROM THE PRESIDENT

Class of '77

We made it! Four years of rowdy, exciting, fun high school.

Our class has really stood out over these last four years, from our freshman and sophomore years with varsity athletes and overwhelming spirit to our Senior year with winning athletic programs, academic success, and the same crazy spirit of the 77'ers.

When uniting as a whole, the Seniors really got things together this year. The long hours of work on the float proved to no avail, but it sure was a fun Homecoming week. Other exciting events that made our Senior year were two tapings of Hollywood shows, a profit-making car rally, and the annual battle of the upper classes, Powderpuff. All this plus Prom and Graduation contributed to a very memorable year. Thanks for your support . . . Chip Reiter, Sr. Class Pres

One Step Away for the Class of '78

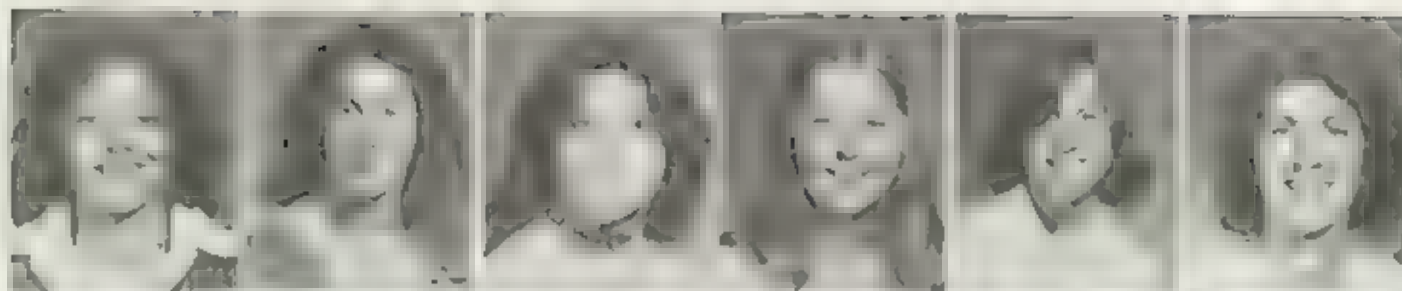

Dear Junior Class:

I'd like to thank you for giving me the opportunity of being your president. It was really an honor to lead such an excellent class.

During the past year we were involved in a variety of activities, most of which were highly successful. Examples of this include our outstanding job in homecoming, earning the "Grand Marshal" award for our depiction of Pinocchio, show of spirit in winning four pep rallies, and excellent participation in this year's Prom.

By this show of class unity, it is my opinion that with your help and support, the class of '78 could graduate next year as the best class this school has ever had.

Thank you again,
Dick Pappas

Dear Sophomore Class,

This past year has been a great experience for me. I wanted to express to you how honored I was to represent such a terrific class.

We started out by putting on the best class sponsored dance of the year. Next we proved ourselves by winning the "best theme" award in the '76-'77 homecoming parade. Other activities we had during the year were very successful because of the unity and enthusiasm of the class of '79.

The spirit and pride that our class has shown has been great. And I am sure that in the following years to come, that same spirit and pride will stay with us, to carry on the tradition of Valencia.

The remembrance of my Sophomore year will always be a special one to me. Thanks for a fantastic year and we all know "79 rules!"

Dear Freshman Class,

The Freshman class of '80' has been engaged in quite a few activities this year. We started off the year with Homecoming. It involved a candy apple sale, to raise money, building a float for the Homecoming parade and other activities during the Homecoming week. Second semester, we sponsored a dance and a carwash which was very successful. We also helped in remodeling the landscape of our school grounds. We had a couple of class meetings in which we accomplished what we wanted. I think that we have fulfilled what was set out to do this year, which was to have a fun time and make school more enjoyable

DRAMATICS TROUPE EXCE

LS IN PERFORMANCES

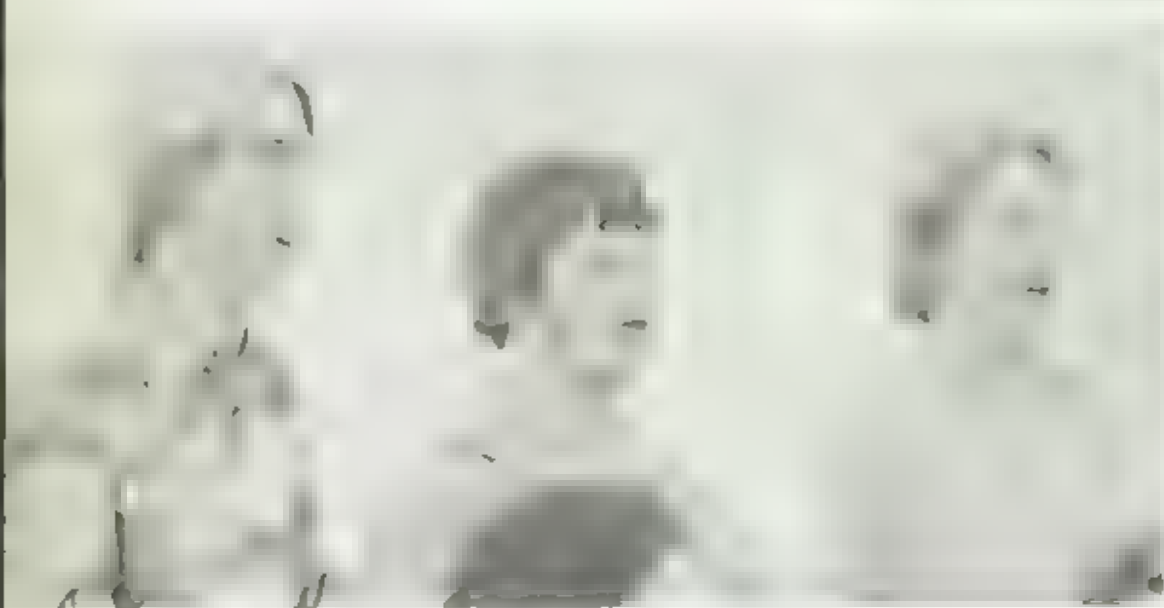

The Dramatics Department was very active this year, putting on three plays. The fall play, "Barefoot in the Park," was very successful. Also performed by the troupe was "Lovers and Other Strangers," which performed for classes and groups as well as for the school. The big event of the year was the spectacular productions of OKLAHOMA, brilliantly directed by Stan Crane. Pictured are various scenes from "Lovers and Other Strangers."

PEPSTERS KEEP SPIRIT GOING

With the hard task of keeping Valencia's spirit going, the pepsters devoted many hours serving the school. During the summer all squads attended camp to improve their skills and to learn new techniques. After school started, the pepsters set out to support all sports equally. Pepsters also performed entertaining pep rallies to recognize the athletes and promote school spirit.

The 1976-77 Drill Team consisted of new members, a new advisor and only four returning. As a new group a challenging year of pep, pride and enthusiasm was definitely a hard task to do. Under the direction of a new advisor, Pam Lewis, an alumni of Valencia, led the Drill Team which represented the school in competitions throughout the year.

Band Tries New Beats

This year was a time of experimenting for Valencia H.S. marching units. Entering its first half-time competition ever, the band placed third as they performed to such tunes as "Love Will Keep Us Together" and the theme from the Olympics. The band also kept its fine reputation in many parades. Performing at Disneyland and other entertainment areas was another earned by the 1976-77 band

FUTURE FARMERS OF AMERICA

FFA, one of the more active clubs at Valencia, is for students interested in a future in agriculture. Club members learn to care for animals. Many of the students sell their animals to make money or enter them in competitions. Valencia is known for having one of the best FFA groups in Orange County, and has produced many prize-winning animals.

On Dec. 2, 1976 the hard nosed faculty rode to victory with the aid of some donkeys against the class of "77." The Donkey Basketball game proved to be a tough, grueling battle ending in bitter defeat for the seniors. The final score showed the faculty ahead, 34-28. This all took place in the VHS gym, with everyone out just for laughs. The question sometimes asked, however, is who really won the game — the faculty, the seniors, or the donkeys

Tigers Never Give Up

Summer training, hard morning and afternoon practices, and dedication by team and coaches were not enough to get the Tigers more than one victory this year. Besieged by injuries and tough opponents, the Tigers nevertheless carried Valencia's banner high, with pride in their team and their school.

Although disappointed by defeat, they never stopped playing the game. Perhaps this is the highest tribute and praise for our fighting Tiger Teams. They'll be back!

The VHS girls' Field Hockey Team had a short but profitable season for 76-77. With only five returning starters from last year's team, This year's team was young but had a strong will to learn the game. This year's team was coached by Miss Lucas, and Miss Evens.

With their first competitive season in four years, the Tigers ended pre-league with a 9-2 record, winning their annual Lettermen's Club Tournament, and finishing second in the Anaheim and Pioneer tournaments.

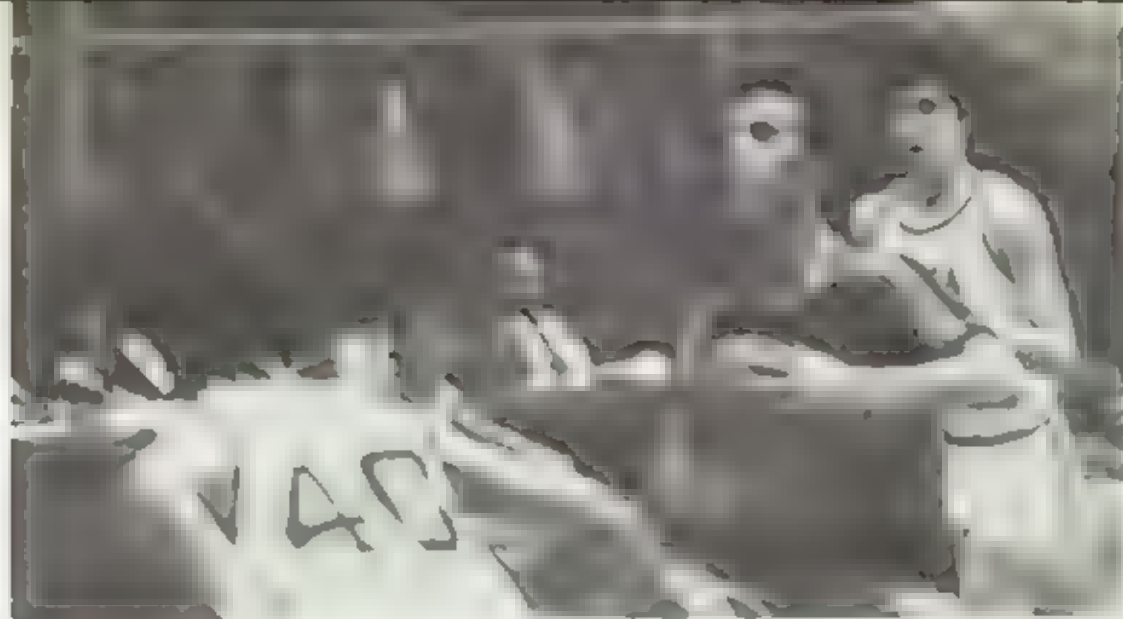

In another tough Orange League, the Tigers, after getting off to a slow start, finished with an 8-6 record and tied with Fullerton for fourth place. Highlights included victories over La Habra, El Dorado, and Brea, all Orange League CIF qualifiers. Although rated above El Dorado and Brea in final season polls, the Tigers did not receive a CIF bid.

Ray Rodriguez was voted Coach of the Year, while Paul Gilbert made All-Orange League for the second straight year.

GOLFERS LET DIVOTS FLY

Under new head coach Chuck Frazier, the golfers prepared at the Alta Vista Country Club for another tough Orange League. With a league including El Dorado, Esperanza, Canyon, Brea, Magnolia, and Savanna, the team played courses such as Yorba Linda C.C., Western Hills, Imperial, Anaheim Hills, and Anaheim Municipal. With Brad Blake, Kent Coules, Paul Gilbert, Wendell Williams, and Bobby Edwards returning as lettermen, the team still lacked consistency in the lower players.

SWING THROUGH SEASON UP TO PAR

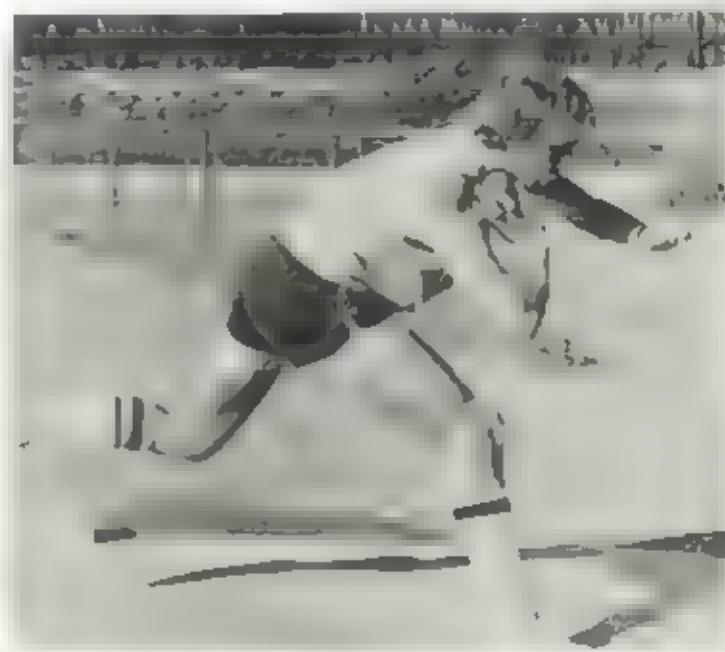

The J.V. golf team was coached by Carol Webster and included players such as Ron Giraux, Jeff Halstead, Rick Gribble, Grant Lindley, Scott Murphy, Rex Loth, Steve Matulich, and Craig Johnson. Although the team didn't lack participation, it lacked the skills to compete against tougher opponents.

TIGERS FIND STRONG COMPETITION

The first to set the records was Sophia Hernandez in the two mile and Rhonda Patcha in the 110 low hurdles. Rhonda also set a new school record in the 440 yard dash by running it in under 1 minute. The team as a whole did very well in practices and was looking forward to a successful season filled with many record-breaking times and distances, and a lot of personal bests. Leading the team in spirit and pride were co-captains Katy Dollard and Mary Ippolito.
